25X1A Dear [REDACTED]

25X1A This is just a note to tell you how much I appreciate not only the highly professional handling of my visit to [REDACTED] but for the warm hospitality which I enjoyed at your house as well. It was most gracious of you to have a dinner party for me and to invite those principal officers of the Mission and their wives.

25X1A I look back upon our day in [REDACTED] with the greatest of pleasure and only hope I can repeat it some day in the not too distant future.

With every best wish,

Sincerely,

25X1A

Your inviting me into your home and letting me use it as a base of operations was most appreciated, I can assure you. Without your kindness it would have been much more difficult to visit all of the outlying places that we did.

With every best wish,

Sincerely,
